

A close-up photograph of a tennis racket and a tennis ball on a court. The racket is positioned diagonally across the frame, with its head in the upper right and handle extending towards the bottom right. The strings are a vibrant yellow-green. A tennis ball, also in a similar color, is in the foreground on the left, resting on the reddish-brown clay court. The background is softly blurred, showing hints of a tennis court setting with a net and other equipment.
